On 10-31-17, at about 1150 hours, I responded to Castle View Elementary, located at 6201 Shaker Dr., regarding a subject who had taken someone hostage and barricaded himself inside one of the classrooms. I am member of the RPD Emergency Negotiations Team and was assigned to respond to the school with the department motorhome to assist with hostage negotiations.

I arrived on scene at about 1210 hours at which time ENT Sgt. Banks directed me to the front office of the school and assigned me to cover the ENT "scribe" position. I entered the front school office and directed into the nurses enclosed office, located in the west portion of the front office. At that time ENT Officer D. Cisneros was sitting at a desk and had been assigned as the "primary" negotiator. ENT Officer F. Medina was sitting adjacent to Ofcr. Cisneros and had been assigned to cover the ENT "secondary" position. At about 1220 hours I began a timeline log of ENT negotiations and attached the log to this report.
